

AI Webinar: “Break Glass Only in an Emergency!” November 17, 2023

November 6, 2023 | **EVENTS**

Friday, November 17th at 1 pm CST, join [#IAI](#) along with four members of [Lippes Mathias LLP](#)'s Government & Corporate Investigations Practice Team: [Dennis C. Vacco](#), [Michael Rossetti](#), [Karl Sleight](#), and [Joan Sullivan](#), for a free webinar.

The group's experience has led to their collective understanding of the intricate workings of government systems and regulations—a vantage point that gives them a bird's-eye view of investigations and reinforces their ability to navigate and advise clients on the other side of such proceedings, which have grown increasingly commonplace over the last decade.

Each of these attorneys has previously served in a governmental role, with Dennis serving as NYS Attorney General, Karl as executive director of the NYS ethics commission, Michael as a counselor in the U.S. Department of the Interior (and a former AUSA), and Joan served as counsel to the New York State Commission on Public Integrity (now known as the Commission on Ethics and Lobbying in Government).
