

HR Basics, Expanded: Policies, Practices, and Procedures That Protect Employers

October 22, 2025 | **EVENTS**

In today's legal landscape, even small HR missteps can lead to significant consequences. Building on our previous webinar, Bari Goldstein and Ken Rehns will cover key policies, practices, and procedures designed to **shield your organization** while highlighting common pitfalls that can result in expensive litigation. Don't miss this opportunity to gain practical insights that can **save your company time, money, and legal headaches**.
