

Lee M. Redeye Quoted in Grown In Article "In New York, the Adult-use Cannabis Industry is Blooming on Tribal Lands"

January 10, 2022 | **IN THE NEWS**

Lee M. Redeye was quoted in Grown In, talking about cannabis business creation on triable lands, how its regulated, and what it means for the future.

"Selling adult-use cannabis before state regulators get the ball rolling is "critical to the success of the tribal marijuana industry," Lee Redeye, counsel at business law firm Lippes Mathias LLP in Buffalo, which assists tribal nations in creating seed-to-sale companies on reservations, told Grown In."
