

Lippes Mathias to Host “Opportunities for Solar on Brownfields: Part 2” on Thursday, October 13

September 16, 2022 | **PRESS RELEASES**

BUFFALO, N.Y. – Lippes Mathias today announced, “Opportunities for Solar on Brownfields: Part 2,” a detailed case study discussion featuring a panel of industry thought leaders that include Ian A. Shavitz, Lippes Mathias partner and team leader of the firm’s environment & energy team, Daniel Montante, president, Montante Solar, Martin L. Doster, senior environmental advisor, Lippes Mathias, and Steven Phillips, senior project manager, Haley & Aldrich. Lippes Mathias will host the panel from 3-5 p.m. on Thursday, October 13 in their Buffalo, NY office at 50 Fountain Plaza #1700.

The group will present a specific case study and share real analysis of the financial benefits and process of turning your brownfield into a lucrative solar site, going into detail on the following topics:

- Environmental and land-use considerations for developers and municipalities
- How siting solar projects on brownfields provide outsized market returns
- Best practices for brownfield redevelopment
- Characteristics of successful projects and potential challenges
- Learn how the Inflation Reduction Act is a game changer for brownfields
