

Lippes Mathias Welcomes 39 New Attorneys in 2023 Following Record-Breaking Year

December 14, 2023 | **PRESS RELEASES**

Lippes Mathias is pleased to announce that after a year marked by large combinations and significant lateral hires, it has added a total of 39 new attorneys to its 14-office footprint in 2023. The historic growth began on January 1, when the firm announced that it combined with Fay Sharpe LLP, a Cleveland-based intellectual property boutique with 20 attorneys that had been in business for 138 years. Six months later, Lippes Mathias followed up on its growth through a second combination with Andreozzi Bluestein LLP, a tax controversy firm with nine attorneys located in Clarence, N.Y. The firm's combinations did not slow its lateral activity, adding a number of attorneys in myriad practice areas and locations across the country.
