

Lippes Mathias Wexler Friedman LLP Partner Michael G. Rossetti Joins Advisory Board of Executive 1 Holding Company

December 7, 2020 | **PRESS RELEASES**

Washington, D.C. – Lippes Mathias Wexler Friedman LLP is pleased to announce that Michael G. Rossetti, Partner-in-Charge of its Washington, D.C. office, has joined Executive 1 Holding Company, LLC (EX1) as a member of its Advisory Board. Michael brings significant experience and wisdom in working with government contracting, technology vehicles and agencies within the federal government to the board.

EX1 is the holder of leading consulting and technology solutions companies collaborating with the federal government, working at the forefront of organizational transformation using artificial intelligence (AI), machine learning (ML), and natural language processing (NLP).

"We're honored to have Michael Rossetti bring his incisive strategy, leadership and network of industry professionals to Executive 1 Holding Company," Moe Jafari, CEO of EX1, said. "His mentorship will be key to our growth as we continue to evolve and develop solutions to complex problems and threats to the Department of Defense, the Intelligence Community, and the federal government."

At Lippes Mathias, Michael focuses his practice on advising tribal clients on economic development and Indian gaming, tribal governance matters, litigation matters, and the settlement of Indian water rights. He also lobbies on a broad range of tribal concerns, and advises clients on land use and other issues before the Department of the Interior including the Bureau of Land Management, the Fish and Wildlife Service and the National Park Service. Additionally, Mr. Rossetti advises clients regarding state attorneys general issues and federal investigations.

About Executive 1 Holding Company

EX1 is a private holding firm that invests in AI/ML/NLP SaaS/PaaS. EX1's current investments in [Plasticity, Inc.](#), [HumanTouch, LLC](#), and [CORASCloud, Inc.](#) (SaaS) are positioned to lead in these technologies. EX1 companies find solutions to complex business challenges, with ML, AI and NLP become an increasingly significant part of that formula. EX1's strategic solutions and applications bring together innovators, experts and data scientists in solving the federal Government's business challenges. This growing family of companies serves the Department of Defense, civilian federal government agencies and commercial organizations with pride.
