

## Lippes Mathias Wexler Friedman LLP's Senior Environmental Coordinator and COO Martin Doster to Speak at Annual Great Lakes Restoration Conference

October 4, 2017 | **PRESS RELEASES**

**BUFFALO, NY** – Martin Doster, chief operating officer and senior environmental coordinator at Lippes Mathias Wexler Friedman LLP, is participating in the 13th annual Great Lakes Restoration Conference on October 17 in Buffalo. He is part of a panel discussion, “Preparing for Life after Remediation and Restoration: Buffalo River.”

The conference, hosted by the Healing Our Waters® Great Lakes Coalition, is a three-day forum for participants to learn about important Great Lakes restoration issues; network at the largest annual gathering of Great Lakes supporters and activists; and develop strategies to advance federal, regional, and local restoration goals.

In his role as senior environmental coordinator at Lippes Mathias Wexler Friedman, Mr. Doster advises attorneys and consults on matters related to national environmental issues facing the firm’s real estate and development clients. He came to the firm following a 32-year career with the New York State Department of Environmental Conservation, where he spent the majority serving as the regional remediation engineer for the Division of Environmental Remediation.
