

Ryan V. Stearns Appeared on WGRZ Discussing the Groundwork for New York's Budding Cannabis Industry

March 31, 2021 | **IN THE NEWS**

From WGRZ:

Stearns is a member of the cannabis team at Lippes Mathias Wexler Friedman LLP. He says while hemp farmers have inquired, they've received a lot of other interest from those unconnected to cannabis.

"We have a lot of past precedent with medicinal licensing, medicinal cannabis licensing, CBD licensing, so we're using that as a guide to sort of look forward to what is going to happen with the recreational licensing," Stearns said.
