

Sara A. Qureshi Appointed to Association for Corporate Growth Tampa Bay Board of Directors

September 2, 2025 | **PRESS RELEASES**

Lippes Mathias LLP is pleased to announce that counsel Sara A. Qureshi has been elected and subsequently appointed to serve as a board member of the [Association for Corporate Growth \(ACG\) Tampa Bay](#) , effective September 1, 2025.

Founded in 1954, ACG is the premier M&A deal-making community with a mission of driving middle-market growth. ACG's global network operates within 61 local markets worldwide and comprises more than 100,000 middle market professionals who invest in, own, and advise growing companies.

About Sara A. Qureshi

Sara A. Qureshi concentrates her practice on mergers and acquisitions, joint ventures, partnerships, corporate governance, and general corporate matters. She has extensive experience advising private equity firms, family offices, independent sponsors, public and private companies, and investors on a wide range of transactional and governance issues, including acquisitions, dispositions, and complex corporate structuring.

Over the course of her career, Qureshi has advised on more than 150 transactions in the lower to mid-middle market, typically ranging from \$5 million to over \$200 million in enterprise value. She has represented clients across a broad spectrum of industries, including business and home services, healthcare services, medical devices and healthcare technology, manufacturing, distribution, construction, automotive, transportation, engineering, industrial products, and software. Qureshi is known for her responsiveness, practical insight, and commitment to helping clients achieve their strategic goals with confidence.

She earned her Master of Laws (LL.M.) in Taxation from the University of Florida Levin College of Law, graduating at the top of her class. Prior to joining Lippes Mathias, she practiced in the corporate and tax group at a prominent law firm in Tampa and served as a business and tax attorney at a regional firm in Fort Myers.
