

## What is Estate Planning and Who Needs It?

By [Gianella L. Marciniak](#)

July 1, 2026 | **TRUSTS AND ESTATES**

Estate planning is the process of arranging for the management, preservation and transfer of your assets during your lifetime and upon your passing. Every person can benefit from estate planning, but it becomes particularly important for those who have children, business interests or specific wishes when it comes to the distribution of your assets.
