

Martin L. Doster | Chief Operating Officer, Senior Environmental Advisor

Buffalo
716.853.5100 x1256 | mdoster@lippes.com

CAPABILITIES

Environment & Energy

Mr. Doster, Senior Environmental Advisor for the firm's Environment & Energy Practice Team, advises clients on contamination issues, cleanup requirements, and cost-effective remedial strategies under state and federal Superfund and brownfields programs. He joined the firm in 2015 following a 32-year career with the New York State Department of Environmental Conservation, where he spent the majority serving as the Regional Remediation Engineer for Western New York.

Additionally, Mr. Doster has served as an adjunct professor for the University at Buffalo, where he taught courses on hazardous waste remediation and environmental engineering design.

He also serves as the firm's Chief Operating Officer and is responsible for overseeing employee relations and human resources issues, accounts receivable coordination, vendor relations, and coordinating the firm's strategic initiatives.
